A close-up, low-angle shot of a person's hands playing a piano. The lighting is very dark and moody, with the keys and hands being the primary light sources. The hands are positioned over the keyboard, with fingers slightly curved as if in the middle of a piece. The piano keys are visible, with the white keys being lighter than the dark keys. The overall atmosphere is contemplative and artistic.

ANYONE WHO HAS NEVER MADE A MISTAKE HAS NEVER TRIED  
ANYTHING NEW
